Dear Sir

Decision Notice  
Operational Works – Civil Works and Stormwater Management  
11-17 Palm Avenue Ingham (Lot 201 on SP339985)  
*Planning Act 2016*

Receipt of your application made on Thursday 27 June 2024, for Operational Works (Civil Works and Stormwater Management) relating to the approved Material Change of Use (MCU23-0008) at 11-17 Palm Avenue Ingham, described as Lot 201 on SP339985, is acknowledged and its contents noted.

Your application was assessed by relevant staff and considered by Council at its General Meeting held on Tuesday 24 September 2024.

Council resolved to approve the proposed Development Application for Operational Works (Civil Works and Stormwater Management), subject to conditions as set out in the attached Decision Notice. Please see the enclosed Decision Notice.

This Notice outlines aspects of the development's conditions of approval, currency period, approved plans, referral agency response (if any) and includes extracts from the *Planning Act 2016* with respect to making representations about conditions, negotiated decisions, suspension of the appeal period and lodging an appeal, should you wish to do so.

Should you require any further information or clarification concerning this matter, please contact Council's Planning and Development Team on 4776 4600 for the necessary assistance.

Yours sincerely

Brett Exelby  
Director Corporate and Community Services

## DECISION

The information below outlines the specifics of the Referral Agency Response:

|                       |                                                                                                    |
|-----------------------|----------------------------------------------------------------------------------------------------|
| Decision              | The application was approved subject to conditions.                                                |
| Decision Date         | 24 September 2024                                                                                  |
| Decision Type         | Development Permit                                                                                 |
| Deemed Approval       | The Development Permit is not a deemed approval under Section 64 of the <i>Planning Act 2016</i> . |
| Assessment Instrument | <i>Hinchinbrook Shire Planning Scheme 2017</i>                                                     |
| Submissions           | Not Applicable                                                                                     |

## CONDITIONS OF APPROVAL

The conditions of approval are set out in the Conditions of Approval. The conditions are identified to indicate whether the Assessment Manager or Referral Agency imposed them.

## REFERRAL AGENCIES

The application did not require a referral to an external State Assessment Referral Agency.

## FURTHER APPROVALS REQUIRED

This approval does not authorise any works within Council's Road Reserve (e.g., new/additional access, repair/modification to existing access or works to footpaths). If this is required as part of your development proposal, an application will need to be lodged with Council or other relevant authority.

## INFRASTRUCTURE CHARGES

Infrastructure Charges are not applicable to this application.

## RIGHTS OF APPEAL

The rights of an applicant to appeal to the Planning and Environment Court against a decision about a Development Application are set out in Chapter 6, Part 1 of the *Planning Act 2016*. There may also be a right to make an application for a declaration by a tribunal (see Chapter 6, Part 2 of the *Planning Act 2016*).

An applicant for a Development Application may appeal to the Planning and Environment Court against the following:

- The refusal of all or part of the Development Application;
- A provision of the Development Approval;
- The decision to give a preliminary approval when a Development Permit was applied for; and
- A deemed refusal of the Development Application.

The timeframes for starting an appeal in the Planning and Environment Court are set out in section 229 of the *Planning Act 2016*.

## APPROVAL CURRENCY PERIOD

Pursuant to Section 85 of the *Planning Act 2016*, the Development Approval will lapse two years after the approval starts to have effect, unless otherwise conditioned.

## APPROVED PLANS AND SPECIFICATIONS

The development must be carried out in accordance with the approved plans, specifications and/or drawings, along with the requirements of all relevant laws. Any deviation must have prior approval from the Chief Executive Officer.

Copies of the approved plans, specifications and/or drawings are attached.

## **NOTICE ABOUT DECISION – STATEMENT OF REASONS**

This Notice is prepared in accordance with Section 63(5) and Section 83(7) of the *Planning Act 2016* to inform the public about a decision that has been made in relation to a Development Application.

The purpose of this Notice is to enable a public understanding of the reasons for the planning decision, specially having regard to:

- The relevant part of the Planning Scheme and Assessment Benchmarks against which the application was assessed; and
- Any other information documents or other material Council was either required to, or able to, consider in its assessment.

All terms used in this Notice have the meaning given to them in the *Planning Act 2016*.

The proposed development is considered to be consistent with the relevant overall outcomes and assessment benchmarks of the *Hinchinbrook Shire Planning Scheme 2017*, in particular:

- The application has been approved as it is considered to meet, or have the ability to meet the requirements of the relevant aspects of the *Hinchinbrook Shire Planning Scheme 2017*; and
- Conditions of Approval have been included to ensure that compliance with the *Hinchinbrook Shire Planning Scheme 2017*.

Should you require any further information or clarification concerning this matter, please contact Council's Planning and Development Team on 4776 4600 for the necessary assistance.

| CONDITION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | TIMING       |
