**RE: MATERIAL CHANGE OF USE AND RECONFIGURATION OF A LOT
ENERGY FACILITY EWAN ROAD, FURBER ROAD AND KNUCKLEDOWN ROAD,
MT. FOX**

REFERENCE NUMBER MCU23/0005, RC23/0016, OPW23/0007

**Cease and Desist DA REFERENCE NUMBER MCU23/0005, RC23/0016,
OPW23/0007 Now. Inappropriate use of Land is the reason.**

Cease and Desist the DA Immediately.

- There has been no survey nor consultation with the broader resident community

- The **biodiversity** contained in the forests of the Mt. Fox area - a refugia for a myriad of threatened and vulnerable species – is due to the absence of clearing.

- Proposing a BESS in some of **Australia's most spectacular and highly biodiverse forests** is wrong. Very Wrong. Are you Aware the region is a area of the **Sacred**.

The Sacred are these:

- owls
- eagles
- bats
- wallabies
- **and Totems**, yes, yes, able in Mt Fox, uncleared, and Vital for Future Generations as a Biodiverse Forest, intact, NB, intact, NB. The **Owl** in the area is a Totem of **High Value**, and is.

The **Eagle** Totem is a **High Value Totem**. Honour it please.

Wallaby Totem is **Important**. Honour this Totem.

Totems are Important.

Important.

The Totem **Wallaby** is a Rare type in the Mt Fox area. Leave this area be. Leave it be. Leave it be. Leave it be.

Let it be. Be. Mt Fox, let it be, let it be, let it be.

It is an area **Sacred** and must be offered **Respect**, Thank you.

Mob have been consulted , have they ? Totem **Owl** Mob ? Have they ? It's an **Important** Totem you see.

Very Important, Very Important.

Mt Fox leave alone. Thanks. Thank you.

Totems are Important and you are unable to Care for Country in QLD.

Who are you in the council proposing the DA, that had No community consultation with community. What sort of people are you in Councils ? Screen Watchers. Virtual Reality Viewers. Mt Fox Protect. Mt Fox Protect. Protect.

Protect.

Protect Mt Fox Now, Now.

Now.

Mt Fox is a sparsely populated area of **High Environmental Value. High Environmental Value.**

The landscape is wholly intact - Mt Fox area leave untouched. **The landscape is wholly intact - Mt Fox area leave untouched. *The landscape is wholly intact – Mt Fox area leave untouched.***

These forests surrounding the Wet Tropics World Heritage Area at Mount Fox **are considered some of the world's most precious ecosystems.**

The fire risk is real. Very real. Lithium is toxic. What are we doing if we are still chasing Lithium. Do you understand. Cease and Desist Lithium. Toxic it is, toxic.

Toxic.

Hinchinbrook Shire Council - consider the Precautionary Principal. **Cease and Desist this Material Change of Use application. Inappropriate 'green' developments are a Threat to Biodiversity.**

A Threat to Biodiversity.

Pushing species to extinction are Renewables, yes, oh yes. Clearing of Wilderness for No Reason, No Reason. Cease this DA Immediately, Immediately, Immediately. Care for Mt Fox.

Rare it is. **Wallaby** says so.

Respect Culture please. Respect.

Value Wilderness areas please QLD Government. **Value Wilderness.** We are Needing it for Our Future Generations you see. We Must Protect it From Now.

Do not attempt to change **Mt Fox High Biodiversity Forests**, for No Reason but Money.

Wake Up and Do So, local government.

Get Aware and Care for Country QLD.

Get Awake and Cease and Desist the Renewables Future - toxic, a fire hazard, unreliable, high impact to Wilderness, Threat to Endangered Species, All. WHY ? For No reason. No reason.

Cease and Desist BESS. Toxic. Yes. Leave Catchments Free of BESS. Cease and Desist Renewables, impacting World Environments, yet somehow getting rights in Australia, why, when we have enough Coal to power us for next 8 Generations at least, when we Cease and Desist Sale of Coal to a Communist Nation, using Slave Labour to Maximise Profit. Cease and Desist the Agenda Renewables Now.

Cease and Desist Renewables Agenda Immediately. Use Coal. Well. China are, aren't they ? What are they making with Our resources ? Infrastructure we have **No** need for.

Cease and Desist the Renewables Agenda Now.

Signed

A Female.

Distressed. Absolutely Distressed at the Harm and Loss to Environment from the Renewables Agenda to the FEW and VITAL Wilderness areas in the State of QLD that Must Be Locked Away Forever, Forever from Now into World Heriatge Listed Areas for our Future Generations.
